

Dear Parents,

Morgan is excited to host our color run on October 19. We are so humbled by your generosity and support.

The powder we are using is a high quality cornstarch that is colored. The colored powder is non-toxic and washable. We recommend wearing a white shirt on the day of the color run as some of the color may be left behind on clothes. Please also err on the side of caution when choosing shoes and pants for the day due to the colored corn starch. We will have wipes for the students at the cleanup station but soap and water works best when they get home. Details regarding the powder can be found at <https://www.wholesalecolorpowder.com>. Please contact Mrs. Lasky if you have any questions or health concerns.

ALL students can participate in the color run but they do not have to. We will offer a colorless track for students who choose not to participate in the color run. Please remove, sign and return the permission slip at the bottom of this note. Please talk with your child to see what course (color/ non-color) they would prefer.

**Time:**

- (K-3) 12:45 - 1:30
- (4-6) 1:45 - 2:30
- Clean-up will be completed by parent volunteers from 2:30- 3:30

**What to wear/Bring:**

- Pack an extra shirt, small towel to wipe off excess powder and a plastic bag to help contain the mess.
- Students donating \$25 or more will receive a free pair of sunglasses to wear. Goggles from the science room will also be available to wear. Students are welcome to bring their own pair of sunglasses or goggles to wear.

**Volunteers:**

Volunteers are welcome to come help with the run. Please sign up using:
