

Class t-shirts!

Dear AIM Parents,

This year all Morgan classes will be doing class shirts from ClassroomFaces. This is a really unique shirt that will feature self-portraits of each child in the class.

(See sample) The top of the shirt will have our school name, teacher name

and the school year. Each of the classes will have a different color shirt. We will use the shirts for field trips, field day, and special class activities. The shirt will also be a great memento of your child's year at Morgan.

PLEASE NOTE, this is a **one-time** offer. Shirts cannot be ordered after we place our class order and individual shirts cannot be ordered after our order is received. Parents can also buy shirts---it's a great way to show school spirit. Shirts are 100% preshrunk cotton and the color will be **Orange**.

Please return this form by **October 13, 2017**. Payment can be cash or a check made out to **Morgan Elementary**.
